

WELCOME FAMILIES AND CAMPERS

Last summer we made new friends, saw new things and had the best time ever! We have an action-packed summer planned for us this year, including new field trips, games and more opportunities to make new friends. The dedicated staff, age-appropriate activities, new field trips, team building, sports and hands-on crafts come together to make the best summer ever. As positive role models, our counselors provide campers with an enriching summer experience. We focus on developing the potential of every camper, while creating a warm and nurturing environment where all campers can play, challenge themselves, make friends and have a wonderful experience!

CAMP MADACA

About Us

Each day of Camp comes packed with the perfect amount of activities and fun. Children will get to make new friends, go on exciting adventures, and participate in activities in a structured and nurturing environment. We provide children with the opportunity to encourage belonging and appreciate diversity.

The Malden YMCA has identified the core values of respect, responsibility, honesty and caring as essential in a child's character development. Camp Madaca provides the opportunity to incorporate these values into the overall camp experience and recognize campers that exemplify these values every day.
