

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Thank you for your loyalty and support throughout the COVID-19 pandemic. We are excited to announce that the Malden YMCA will re-open tomorrow, Monday, July 13th at 7:00am.

Your membership is currently on hold and you will not be charged your monthly dues until August. To reactivate your membership for Monday click the [Activate My Membership](#) button below. This step must be done to be able to schedule your visit.

Our current facility hours are:

Monday - Friday 7:00am - 7:00pm

Saturday 8:00am - 2:00pm

At this time access to the Y is for members only who are 18 and older, and kid zone is not available. Our therapy pool, track, basketball courts, saunas, steam rooms and hot tub are also not available at this time.

To access the facility you will need to [Schedule an Appointment](#) by clicking the button below. Appointments are limited to one hour per member/per day. The lap pool will have 45 minute appointments available starting Tuesday. The locker rooms will be open for changing only. Showers for swimmers are available in the pool hallway prior to entering the pool.

We understand that you may not be ready to return to the Y at this time and you may continue to keep your membership on hold by clicking on the [Keep My Membership on Hold](#) button below. Otherwise memberships will automatically begin to draft on August 1st and 15th.

A short video will be posted on our [website](#) and Facebook later today that will help explain all that is being done to keep you safe and healthy while visiting the Y.

We look forward to seeing you soon!
